

## MEMBERSHIP

Welcome! We're pleased that you're interested in the Clarksburg Lions Club. To become a Lion, you must be of legal majority, good moral character, and good reputation in your community.

Membership is by invitation. If you're interested in being invited to join the Clarksburg Lions club:

- Contact the club and express your interest.
- Ask if you can attend a meeting to learn more about the club and its service projects.
- At the meeting, ask about becoming a member.

We offer several ways to become a Lion.

- \* **Regular Member.** Offers you the opportunity to volunteer locally together as a group. Members are expected to meet membership requirements such as dues set by the club. Take the first step toward membership today – contact a local club and ask to be invited to a meeting.
- \* **Family Membership.** A family membership allows relatives to volunteer together at a reduced dues rate. Family members must meet membership requirements, live in the same household, and belong to the same club. Children cannot become members, but can participate in age-appropriate activities and attend club meetings. Tell the club you are joining you want to join as a family.
- \* **Student Member.** Make new friends and help others in your community at the same time. With a student membership, your dues are reduced. If you are enrolled in an educational institution and between the age of legal majority and 30, tell the club that you would like to take advantage of the Student Member Program dues discount.
